

## TIME TO ORDER LUNCH!

Dear Parents,

We are thrilled to be serving your children our made from scratch lunches this upcoming school year. Your school has made a commitment to your child's health when they selected WT Café. Our local kitchen team works hard each day to prepare a variety of kid favorite foods using fresh and pure ingredients so you can feel good about the food your child eats during the school day!

Please see below for instructions on how to participate in the school lunch program.

Thank you for the privilege of feeding your child!
